

Next-Generation

# Ranger Raptor

**FORD PERFORMANCE**

# The Most Powerful Ranger We've Ever Built

Inspired by desert racing, the Next-Gen Ranger Raptor has been developed with Ford Performance DNA for true enthusiasts.

The next-generation Ford Ranger has undergone unrelenting global testing from sub-zero to +50° celsius temperatures to ensure it's robust, rugged and capable. Its high-strength steel frame and steel body ensure the Ranger's Built Ford Tough reputation for quality durability and strength.

# Performance Bred Interior

All-new, jet fighter-inspired sports seats in the front and back are more comfortable and supportive during spirited driving.

Conquer Grey

Code Orange

Shadow Black

## eShifter & electronic park brake

## Code Orange Accents

## Selectable drive modes

# Get Excited

Blending raw power with mechanical and technical precision, Next-Gen Ranger Raptor delivers pure exhilaration.

## 3.0L V6 Twin-turbo EcoBoost Engine

Matched to a performance tuned 10-speed automatic transmission with Anti-Lag in Baja Mode. The compacted graphite-iron cylinder block is around 75% stronger and stiffer than a traditional iron block. Produces up to 292kW at 5650rpm and 583Nm of torque at 3500rpm<sup>1</sup>.

A reinforced chassis, new shock tower mounts, unique upper and lower control arms and a refined Watts link rear end allows Next-Gen Raptor to handle punishing off-road conditions.

<b>S = Standard</b>		Integrated Brake Controller <sup>11</sup>	S

1. 98RON fuel is required to achieve the kW and Nm numbers stated. 2. Mud/Rut, Sand, Baja and Rock Crawl mode intended for off-road use only. 3. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. 4. ISOFIX fitted to outboard rear seats only. 5. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on [ford.co.nz](http://ford.co.nz). FordPass requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 6. Wireless Phone Charging not compatible with all phones. 7. BANG & OLUFSEN 2021 and B&O 2022. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive Systems Manufacturing Kft. All rights reserved. 8. SYNC@4A features may not be compatible with all phones. For compatibility, see [ford.co.nz/sync](http://ford.co.nz/sync). 9. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc., registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 10. Maximum towing capacity-braked using a Genuine Ford tow pack. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 11. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit.

Overseas Ranger Raptor model shown.

**FOX 2.5" live valve shock absorbers**  
State-of-the-art internal bypass dampers adjust electronically up to 500 times a second, reacting to the unfolding terrain and your driving style. Get ready for the off-road ride of your life.

## Sophisticated Suspension

Cutting-edge internal bypass dampers tuned and developed by Ford Performance can react and adjust to the terrain and driving style 500 times a second. Get ready for the ride of your life.

Embossed tailgate

## Connect anywhere

Every Ranger Raptor now comes fitted with an embedded modem known as FordPass<sup>5</sup> Connect. Using the FordPass App on your smartphone you can locate your vehicle, lock and unlock the doors, and even start the engine remotely.

Heat or cool cabin to last known setting.

Receive Health Alerts like battery or oil levels.

Check your fuel levels remotely.

## Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.
